About This Game

Jump into Super Island God and take on the role of a lost island tribe's deity in this exciting new God Simulator. Harness your divine power in this built-for-VR game and reward (or punish) your civilization as they journey through dozens of handcrafted challenges.

Features:

- Immerse yourself in Virtual Reality and watch your villagers and environment respond in new and novel ways.
- Direct your villagers across six unique and challenging islands with hidden objectives and time attack modes.
- Construct and grow your village using unique buildings and an expanding number of villager jobs.
- Wield your divine powers and cast miracles to reward (or punish) your villagers.
- Discover hidden toys and easter eggs such as the hungry volcano (feed me...)!
- Unlock unique cosmetic hands by unearthing hidden coins.
